these votes. They may mean the winning of one of the prizes.

To be or not to be—to work hard from now until the end of the period and gain a reserve vote that can not be beaten in the end, is a question that confronts the contestants.

If you will only appreciate the value of time during the short time that remains of the second period and make every effort within your power to get as large a number of subscriptions, particularly for the longer periods of time as you possibly can, you can be the one that will be the owner of one of the touring cars, or be one of the parties to revel in the beauties and delve into the mysteries of the romantic Old World next summer.

If you do not care to own an automobile or to "do" Europe next July or August, then win one of the other valuable prizes. But do it now while the subscriptions count for the most votes!

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed, you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness, in the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Your Teeth

Why wear a set of teeth which gives you no service and makes you look years older than you should?

Our method of putting up a set of teeth gives the face the contour of youth and lasting service. Our smooth suction plate has no rival and we fit the most difficult cases.

The best recommendation is our steadily increasing practice and satisfied patients.

Our bridgework to take the place of missing back teeth will never wear out and will give satisfaction for life. We ask our patients to give this work the severest of tests.

Fillings of gold platinum and porcelain are all provided by us. By a preparation owned exclusively by us, we can remove teeth with little or no pain.

Office hours 8:30 to 12. 1 to 5:30 and 7 to 9. Sundays 9 to 2.
